

You can check how crowded the Shimin-ka counter is on the Internet.

Shimin-ka: This is where you can get your residence certificate or other certificates, do your procedures before and after moving, and procedures for getting your Individual Number Card (known as My Number Card).

As of February 1, you can check the number of people waiting and their call numbers on your computer or smartphone. By using this system, you will be able to wait outside the City Hall after receiving a numbered ticket.
