

You can talk about childcare (Families and Children Center)

When you have any difficulties in raising your child, there is a place where you can seek advice.

You can talk with childcare professionals such as public health nurses, nutritionists, and childcare workers.

Expectant mothers can also seek advice.

Families and Children Center

Address: Izumi Plaza, 2-3-8 Izumicho, Kokubunji City

Service hours: 8:30 AM · 5:00 PM

(Closed on Saturdays, Sundays, national holidays, and year-end and new year holidays)

When you need advice about health of mothers or children /

When you have issues or worries about raising your children

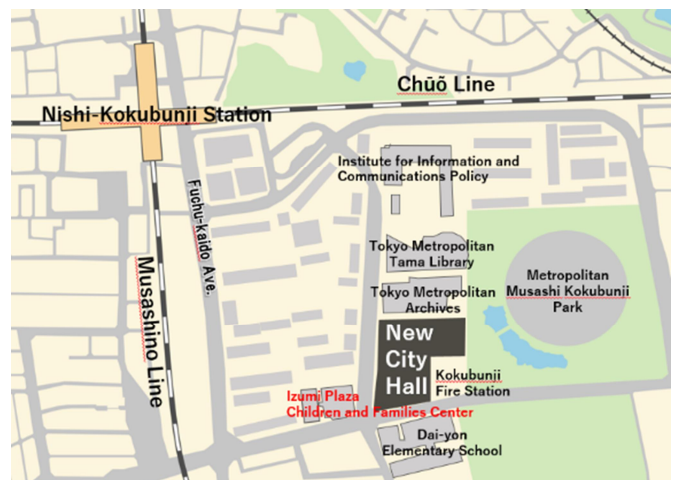

Tel: 042-321-1801

When you need advice about matters
other than the above

Tel: 042-321-1809

If you are a child under 18

Tel: 0800-800-9033 or 042-321-1956

Parent-and-child place

This is a place where children aged 0-3 and their families can play and talk.

Expectant mothers and their families are also welcome.
