

Subsidy for purchasing burglar prevention tools/devices

Households can get a subsidy for purchasing tools/devices below to prevent burglars from entering their house.

What kind of tools/devices?

1. Security cameras
2. Intercoms with a camera
3. Security window films, security glasses, window grates
4. Motion sensor lights
5. Reinforcement locks, high-security keys
6. Security gravel (gravel that makes a loud noise when stepped on)
7. Dummy security camera
8. Other effective security tools/devices to prevent damage to be caused by burglars
9. Landline phones with a nuisance call prevention function
(landline phones that can prevent malicious phone calls)

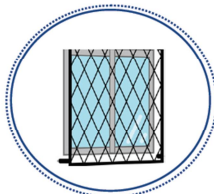

Note: 9. is available for people aged 64 or older.

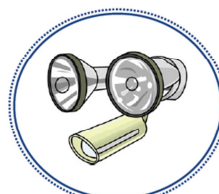

1. Security cameras

2. Intercoms with a camera

3. Security window films, security glasses, window grates

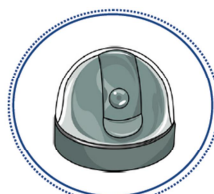

4. Motion sensor lights

5. Reinforcement locks, high-security keys

6. Security gravel

7. Dummy security camera

8. Other effective security tools/devices to prevent damage to be caused by burglars

9. Landline phones with a nuisance call prevention function

Note: Up to 5,000 yen
This has an age requirement

Purchasing period

From April 1, 2025, to December 31, 2025

Applying period

From June 1, 2025, to December 31, 2025

Note: Since City Hall is closed from December 27 to 31, applications are accepted only on an electronic form during this period.

Amount of a subsidy?

Half of the amount (up to 30,000 yen) you paid when you purchased tools/devices above.

If you buy only 9, the maximum amount of a subsidy you can get is 5,000 yen.

When you apply for a subsidy, submitting the receipts is required.
