Many bicycles have been stolen.

Many bicycles have been stolen.

In 2024 alone, 215 bicycles were stolen in Kokubunji City.

This accounts for one-third of all crimes committed in the city.

To save your bike from being stolen, be sure to lock it up.

– Always lock your bike when you park it.

It is safer to use two locks.

– Even if you are only parking your bike for a short time, lock it up.

– Do not park your bicycle on the street. Instead, park it in a designated bicycle parking area.
